If, after reading the rules and procedures below, you have a question that needs an immediate answer, please call or text the tournament coordinator, Jeremy, at (406)868-4776. For all other questions, please email [cascadecoshootingsports@gmail.com](mailto:cascadecoshootingsports@gmail.com).

## 2019-2020 CASCADE COUNTY 4-H SHOOTING SPORTS POSTAL TOURNAMENT RULES and PROCEDURES

### 1. GENERAL RULES

This tournament is open to any participant of a current 4-H archery shooting sports program. 4-H membership is **required** to participate and receive awards. The minimum age is 9 for participants as of October 1st, 2019. Their 4-H age will determine their age classification. It is each county's responsibility to check their members' ages as listed on the results sheet (typos can happen).

Age classifications are:

9-10 year old, 11-12 year old, 13-14 year old, 15-19 year old

We want and expect coaching for the skill level of the participant. If you have beginner shooters that need lots of coaching on-the-line, please allow for that. As they age and mature in their skills, they should not need as much on-the-line coaching.

### 2. DISCIPLINES

**Archery ONLY: Maximum of 3 disciplines may be shot per Archer**

### 4. SCORING:

You can practice for as many or few weeks as desired, however you must decide prior to shooting the tournament target that it will be the one to be scored. (Don't shoot multiple sets of targets and choose the best score for inclusion in the postal match.) **ONLY 1 SCORE TO BE TURNED IN PER DISCIPLINE- PER SHOOTER**

National Standard rules are followed by all disciplines.

All targets and score cards need be kept on file until March 15, 2020. In the event of a challenge, contested targets must be sent into the coordinator for inspection (***otherwise, do not send targets in***).

#### SENDING IN SCORES:

When sending in scores, ***please include your county name on all correspondence***. This will make looking up information much easier!!!! ***Please DO NOT send in targets***, we **ONLY** need the raw scores. You may send scores via e-mail **and/or** postal mail if you choose. If you choose to do both, please indicate that they have also been sent via the other mail to eliminate confusion.
