Entries must be received by February 4 th. Shooting times are on a **first come, first serve basis**. Any entries after the 5th should call for shooting time availability. We will take late sign ups day of shoot if lanes are available.

The team competition will consist of 4 members from any age group and any Division all from the same county. Each archer must choose which score from which discipline to use before competition begins (this is not an additional shooting score this score is from what they shot in regular competition). The total scores from all four members will determine the winning team for the team competition.

For EXAMPLE: If you shoot multiple divisions say Bare Bow and Olympic Recurve you will want to choose the score from which division you usual shoot the higher score with. Each of the four members scores will be add together for a total team score. So choose carefully.

Hope you all can attend look forward to seeing you in February.
