Montana Silversmiths **“Your Partner is a Western Lifestyle”** **Great Awards, Leadership Recognition, Thank You Gifts**

Montana Silversmiths first started business as a buckle company in a small ranching community of Columbus, Montana. It was started in 1973 by a rancher with a vision, a man who saw a need for quality buckles and awards so he set up shop on Main Street, starting what is today a leading brand in the western industry.

Montana Silversmiths is still fondly known to the locals as the “The Buckle Shop” or “Silversmiths” and has grown to be the largest manufacturer of its type in the United States establishing itself in all 50 states and 25 foreign countries.

Montana Silversmiths is proud to support 4-H members and volunteer leaders and applaud the supportive environments created for youth and adults to reach their fullest potential. The 4-H logo can be applied to Montana Silversmiths buckles and jewelry and together make great options for awards, leadership recognition, or thank you gifts for speakers and volunteers.

Montana Silversmiths is proud of our history. Our key to success is the conviction of our promises to provide quality, service and delivery, and our inherent bond to the Western Lifestyle, the beauty of our surroundings, and our entrepreneurial spirit.
