

COUNTY CHALLENGE

\$4...\$40...\$400

Montana 4-H
Foundation
40th anniversary!

This year marks the 40th Anniversary of the Montana 4-H Foundation! Help us serve you better by meeting the "County Challenge" in 2009!

*YOUTH...\$4

By giving \$4 more per member this year, you are helping celebrate 40 years of service to Montana 4-H and showing your support of 4-H programs for the future!

This doesn't need to come from your budget, be creative with ways to raise these additional dollars. Give us a call or contact your county agent or county foundation representative if you need ideas/suggestions...

*CLUBS...\$40

Clubs can come up with a fundraiser to raise \$40 and it can even be a creative way to have fun! The more creative the better! We might even showcase YOUR CLUB in a 2009 edition of Clover Connections. Make extra \$\$\$ with your fundraiser? Put it towards the member or county challenge!

All Clubs who meet the challenge will receive a certificate of recognition that can be displayed in historian books or elsewhere.

*COUNTY...\$400

Show your county support by raising \$400 for this anniversary year! Your donation will qualify YOUR COUNTY as a "\$400 Club" member, see "\$400 Club flyer" for details.

meet the challenge!

This challenge is in addition to the \$5/member recommended incentive amount that counties are asked to contribute each year. Counties that participate in the challenge will receive a recognition plate for your new 2009 member incentive plaque. At the end of the challenge all levels that are completed will be listed on your county's plaque.

Help us credit your youth...clubs... and county correctly! Make sure you write what part of the challenge you are completing with your check made out to the MT 4-H Foundation and send to: 111 Taylor Hall, Bozeman, MT 59717.
